Foreword:

For North Dallas High School and all those personally involved in its growth, this year is an historic one. One in which a goal has been reached: 50th GRADUATE CLASS!

We have come across many new faces in this year of 1972, and we hope that somehow those students have become a part of North Dallas High.

There are times of happiness, times of sadness, times of victory, times of defeat, and most of all times of memories.

In closing, we challenge each of you to proceed through the pages of this 50th Anniversary Issue of the VIKING; and, in doing, that may you recognize the significance of a most wonderful year — 1972!

Dedicated to

... a lady who has shown leadership and school spirit. She is a most outstanding and conscientious teacher. The students at North Dallas High hold a deep respect for her because of her concern and interest with them. Her loyalty for the school, as well as for the students, has grown in the past two years.

She has encouraged us to work toward bettering ourselves and our surroundings. In the time she has been here, she has taught us the meaning of true sportsmanship and friendship. Because of her sincerity and understanding for the students and their problems, we have been able to create a better student-teacher relationship.

... and so we the VIKING staff dedicate this book to a lady who herself is dedicated.

Mrs. Clarice Young

*Best Wishes,
Mrs. C. Young*

ADMINISTRATION

BOARD OF EDUCATION

The ten members of the Board of Education are elected by the citizens of Dallas. This election is conducted in the same way as a regular political election. The Board of Education has meetings at regular intervals and all members must be present. At the meetings, policies by which the schools are operated are established.

Dr. Nolan Estes, as Superintendent, is the head of the Administrative branch of public schools.

Principal

Mr. Valadez, who has been our principal here at North Dallas for two years, comes to us from South Texas. He was formerly a principal in Mission High School.

He received his B.A. from Pan American College and his Master's from Texas A&I University in Kingsville, Texas.

Mr. Valadez has not only been our principal but a friend to all students. We appreciate his work here at North Dallas.

Asst. Principal

Mr. H. B. Bell came to North Dallas two years ago from Boude Storey Junior High.

He attended Prairie View A&I and Oregon State where he received his B.A. and M.A. degrees.

Mr. Bell has shown true understanding and has helped us with our problems. We thank him for all the help he has given us.

Asst. Principal

Mr. Williams is new to North Dallas this year. He was an elementary school principal at the following schools: Vickery, Harrell Budd, M.B. Henderson, Seagoville, and Stephen F. Hay.

He attended North Texas State University and took courses at S.M.U. and Texas University.

Mr. Williams has been a great help to us here at N.D., and we thank him very much.

Asst. Principal

This is the first year for Mr. Tess to be at N.D. He came to us from Wilson Elementary Migrant School in Mission, Texas, where he taught Social Studies.

Mr. Tess received his B.A. degree from St. Paul Seminary in St. Paul, Minn. He also received his M.A. degree from S.M.U.

He has worked closely with the Life Leadership Program and has devoted much of his time to the activities of the students here at N.D.

We thank you, Mr. Tess, for being a part of N.D.

Row — Gary Twine, Virgil Edward, Kenneth Smith, Steve Wilder, Brandon Johnson, Billy Kimble, Michael Fanner; 4th Row — Oscar Cavillo, Percy Simons, Robert Proctor, Cecil Franklin.

N.D. — 0

Ft. Worth Dunbar — 20

The Bulldogs lost their first game to Fort Worth Dunbar by a score of 20-0. The Bulldogs won the battle of statistics, but not the game. They were stopped four times within Dunbar's ten-yard line due to mistakes. Stars of the game were Percy Simmons who completed 7 of 18 passes for 113 yards; Michael Fanner led the running game; Carl Williams led the receiving and kick-off returns; Oscar Calvillo led the offensive lineman; and Steve Wilder and James Epps were the defensive stars.

N.D. — 14

Pinkston — 21

The Bulldogs lost their second game to Pinkston by a score of 21 to 14. The Bulldogs grabbed the lead on a blocked punt by Robert Proctor who picked up the ball and ran it in for a touchdown. Then Pinkston came back and scored. The Bulldogs took the lead on a 26 yard touchdown pass from Percy Simmons to Carl Williams. The Bulldogs added two points when Percy Simmons' pass was intercepted by a defensive back who carried the ball into the end zone and was tackled by Geno Herron for a safety. This made the score at halftime, 14 to 7. In the second half, the Bulldogs offense could not get started while the defense was weakening. Pinkston controlled the ball most of the second half and managed to score two touchdowns in the process which proved to be the margin of victory.

Sunset — 32

The Bulldogs were defeated by Sunset in their third game of the season. Offensively the Bulldogs could not move the ball; however, the defense did stop 4 of Sunset's downs.

The bright spots were Robert Proctor's good ground-gaining; Carl Williams good receiving; James Epps, Brandon Johnson, Fred Cowans, and Tim McCoy led the defense.

Three points for the Bulldogs.

Michael Fanner (26) brings down a Carter Cowboy!

N.D. — 0

S.O.C. — 20

The Bulldogs played against SOC like champions but lost in a triumphful way as they were defeated by South Oak Cliff 20-0. The Bulldogs played a very physical game as they proved to themselves that the Golden Bears are not as tough as they are said to be. The Bulldogs were never out of the game due to an outstanding game by the Bulldog defense. The offense played a good game but was hurt when the offensive passing game could not get started. The passing game could have been the margin of victory for the Bulldogs as Percy Simmons received good protection from the offense line but many of his passes were incomplete while the SOC defense intercepted four passes. The Bulldogs as a team played a great game as they showed their desire to win.

N.D. — 6

Carter — 45

The Bulldogs were the first to score on the Carter Cowboys. Carl Williams made a 92 yard kickoff return for a touchdown. Fumbles and penalties hurt the team. Cecil Franklin's good defensive and offensive playing and the passing game helped in the game.

Bulldogs stop Woodrow's offense from making a touchdown.

N.D. — 32

Adamson — 21

The Bulldogs won their first game as they defeated Adamson 32-21. The Bulldogs were hampered by mistakes on the first few possessions of the game but settled down to play a very good offensive and defensive game. The Bulldogs first score came on a 1-yard run by quarterback Cecil Franklin. Fullback Bobby Garrett scored the second touchdown on a sweep around left end. The conversion was good for 2 points and the Bulldogs lead at halftime 14-7. The Bulldogs came back and opened a 13 point lead with touchdowns by Cecil Franklin and Michael Fanner. A beautifully intercepted pass by Robert Proctor ended the game as he ran the interception back for a touchdown to preserve a Bulldog Victory.

Carl Williams carries against Kimball.

N.D. — 0 W.W. — 14

The running game, led by Bobby Garrett, Marshall Chasney, and Michael Fanner, went very smooth. The passing game was hurting due to either good coverage on the receivers by Woodrow or poor pass blocking by the offensive line because QB Cecil Franklin was dropped several times. The outstanding players of this game are the defensive linemen who dropped the Woodrow QB about five or six times for big losses and who also forced several turnovers. The defensive linemen are James Epps, Brandon Johnson, Richard Borders, Gary Twine, Oscar Calvillo, and Fred Cowens. Woody Deason, Robert Proctor, and Steve Wilder also played a good game on defense. The offensive stars were Bobby Garrett and Michael Fanner.

N.D. — 6

K.K. — 20

It was a very offensive game but Kimball managed to win 20-6 over the Bulldogs. The Bulldogs put on their best offensive showing of the year. The running game was led by Bobby Garrett, who seemed to be unstoppable. The offensive line was giving great pass blocking and was blocking well on running plays, too. Percy Simmons shared the quarterback position with Cecil Franklin during the game. The passing game was good as Percy Simmons' passes were on target but many of his passes were dropped. The Bulldogs scored their T.D. on an 11-yard pass from Simmons to receiver Carl Williams.

Would ya'll get off the phone; I'm trying to get through to the press b

... thrill of victory!!

N.D. — 7

Waco — 26

The Bulldogs fought Waco Moore to a standstill in the first quarter. They led at the end of the first quarter by a score of 7-6. The team scored on a run by Bobby Garrett and Brandon Johnson added the extra point. The Lions scored their first touchdown after a bad punt gave them good field position. Then, the defensive secondary seemed to break down as each of Waco's next three touchdowns came on long passes and running plays. But that wasn't all. The offense was able to move but mistakes hurt the team. The final score Waco Moore 26, North Dallas 7.

N.D. — 32

Roosevelt — 34

The Bulldogs were out to prove how great they are and they proved how great they are in the first half of the game. They made everybody happy. They had a 32-0 lead at halftime; Wanda Butler was named Homecoming Queen; and there was the largest crowd this year on the ND side of the stadium to watch the Bulldogs play. This game was not just another game, it was the most important one.

The Bulldogs scored on TD's by Robert Proctor, Bobby Garrett, Percy Simmons and Fred Cowans. Cecil Franklin added the extra points on two touchdowns.

The Bulldogs came out for the second half with a desire to win but hiding in the shadows was the bad luck that has plagued them throughout the year. The final score was Roosevelt 34, ND 32.

Count the good things you've got going.

Maybe it was easy,
maybe it was tough. Either way,
it's good to have the
high school years behind you. Now you
can do and be just about anything
you choose.
You've got a lot of good things
going, a lot of them on electricity.
Music is only one example.
Electricity brings your favorite
artists right into your own

home, lets you enjoy them anytime, day
or night, on your radio, stereo, or TV set.
You've got a lot of other good things
going on electricity besides music.

We don't have to tell you. Just
look around.

That's why Dallas Power &
Light plans and builds ten years
ahead. We intend to keep
your good things going.
Life gets better electrically.

I know you have already heard the part about how sweet you are, as I will tell you, how great a friend you are. The three known each other ever since the third grade and we have lived our way and down, but everything seems to be going all right now! Words can't express how great a friend you really are (when we are friends) Remember all the fun we have had together and everything we have done together. When everything seems to be gain' tough, I just look over all the years (you have known me) but really, we have known each other. You are one straight person, and one day I hope you will find someone that will do you some good.

Forget about Spang, Ego, Robert, Mervyn, and who ever else is in there. One day it will come to you instead of you gain the them. I hope you reach the good you are at 20, 25, 30, 35, 40, 45, 50, 55, 60, 65, 70, 75, 80, 85, 90, 95, 100. When you get the others.

Charlotte, this year has been a lot of fun at 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100.

Dear, Charlotte,
You have
special qualities

Charlotte - what an experience
having you in my already
crazy 6th period! I'm sure
glad I had the luck to get
you - you sure added quite
a few moments of laughter,
pleasure, and headaches! Hope
you'll remember our 2:00-3:00
as one class that was very
unique - 'cause we all
are! Be good and I'll see
you again. Peggi Bailey
